ELECTIONS LAST NIGHT.—The ordinance establishing the paid fire department in this city provides that a chief marshal and two assistants shall be elected at the regular meeting of Council in December each year. Last night being the prescribed time, Council discharged that duty, and re-elected Capt. Wm. Winder, Chief, and Ex-Mayor A. J. Sweeney, assistant, for the First District. Both gentlemen have filled these positions since the ordinance referred to was adopted, and their administration has given entire satisfaction.

In the Second District, Mr. N. Reister was elected, and we have no doubt he will prove a worthy successor of the late incumbent, Capt. W. H. Harrison.

BEAUTIFUL GLASSWARE.—Beyond all controversy the finest display of cut-glassware seen in this city for many years is that in one of C. P. Brown's show windows on Monroe street. We do not remember the names of all the articles on exhibition, but among them will be found two or three dozen goblets of different sizes, fruit bowl, jelly dishes, &c. The engraving on them is very fine and elaborate. We never saw anything in glass to excel it. This magnificent ware was manufactured at the works of Messrs. J. H. Hobbs, Brockunier & Co., in South Wheeling and presented by their manager J. B. Russell and workmen to the Orphans' Fair, to be held at an early date in Washington Hall. It is to be disposed of on that occasion for the benefit of the orphans under the care of the Sisters. Call at Mr. Brown's establishment and look at these splendid specimens of cut glassware.
